

- Free one-week MVP

# See your AI idea working in one week.

Tell us the use case. Seven days later you see its core feature running in a working demo, built on the same framework we use in production.

## 7 days

From first call to a working demo

## \$0

No fee and no commitment

## 1 feature

Your highest-value one, built end to end

### HOW IT WORKS

1

#### Day 1

We learn your use case with your team

2

#### Days 2 to 7

We build the core feature, free

3

#### Demo

You see it working on your own problem

4

#### Your call

Like it? We take it to production

### WHY THE MVP DOES NOT STALL

#### Built to ship

Six disciplines take it from demo to production.

#### Checked for failure

We work a map of 30 known ways AI fails.

#### Proven in regulated work

Healthcare, financial data and energy.
